Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

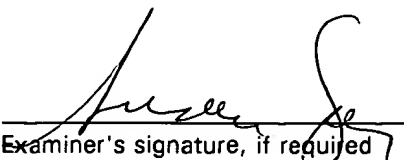

Mr. Cooper called, the response of May 12, 2003 is not non-responsive, Applicant made an effort to respond to each requirement of Paper No. 5. Upon review and reconsideration, it is found that Mr. Cooper is correct and that Applicant has responded to the requirements of Paper No. 5 to the best of his ability. In view of this the nonresponsive finding is withdrawn and an Action on the Merits will follow. It is noted however, that although an election was required, the election of Group 135 was improper because the group specifically states that claims 36, 39 and 53 will be examined as they are drawn to the elected invention. Since the claims are not drawn to the elected invention, they will be withdrawn from consideration.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
